Julia Cameron

Credited with having founded a new human potential movement which enabled millions to realize their creative dreams, Julia Cameron eschews the title "creativity expert," preferring to describe herself simply as an "artist." Her tools for unblocking creativity have transformed millions of lives worldwide.

Bestselling author of over 24 books including "The Artist's Way", "Finding Water: The Art of Perseverance" "Walking in This World" and "The Writing Diet", Julia's creativity extends as a playwright, filmmaker and composer. Julia says "I am the floor sample of my own tool kit. When we are unblocked we can have remarkable and diverse adventures. Most of us have no idea of our real creative height. We are much more gifted than we know. My tools help to nurture those gifts."
